Dear Ms. Seppi and Mr. Gowers,

Jeff Tittel had stated that EPA has extended the comment period for the Ringwood OU3 Proposed Plan to June 3rd. The Ringwood webpage does

not currently reflect this change and shows the comment period as ending today, May 4th. Could this be confirmed and updated on the website so as to not confuse the public and to give residents the opportunity to fully participate in the public participation mandate that is a critical aspect of the Superfund program?

Respectfully,
